Re: Notice of Completion and Approval of Level 2 Assessment Rosa Joint Ventures Water System, NM3500324

Dear Ralph Phelps:

Our records indicate that the Rosa Joint Ventures Water System triggered a Level 2 Assessment on This letter is to inform you that the New Mexico Environment Department's Drinking Water Bureau (NMED-DWB) has received adequate compliance documentation verifying the Rosa Joint Ventures Water System completed a Level 2 Assessment on 9/23/2021 and has implemented appropriate corrective action to address sanitary defects. Based on the information submitted, the Level 2 Assessment is approved and no further action regarding this triggered assessment is required.

NMED-DWB appreciates your assistance in this matter and your compliance efforts to ensure protection of the State's drinking water. If you have questions or require clarification concerning this matter, please contact me at 505-629-3085 or by e-mail at chet.markham2@state.nm.us.

Respectfully,

A handwritten signature in blue ink, appearing to read "Chet Markham", is written over a light blue horizontal line.

Chet Markham, RTCR Rule Administrator
